Chapter 1: Introduction

Last modified: 2026-10-29 13:30:11 (PDT)

This is the first chapter of your website. Replace this content with your own.

Section 1.1

Add your content here.

Subsection 1.1.1

You can include:

- **Lists** like this one
- *Italic* and **bold** text
- `Code snippets`
- Links: Quarto Documentation

Section 1.2

You can also include code blocks:

```
# Example Python code
def hello_world():
    print("Hello, World!")

hello_world()
```

Or R code:

```r
# Example R code
library(ggplot2)

ggplot(mtcars, aes(x = wt, y = mpg)) +
  geom_point() +
  theme_minimal()
```

Section 1.3

Include citations using `@citationkey` format, which references entries in your `references.bib` file.

You can also add theorem-style divs:

> **Theorem 0.1.** *This is a sample theorem block with an ID.*

I'm adding some new content here:

```r
1 + 1
#> [1] 2
```
